Questions and answers

Who can get vaccinated?

- From the age of 12, first and second vaccination
- as well as booster vaccinations!

Do I have to pay for the vaccination?

No. The vaccination is free for everyone.

What to bring with you:

- Identification document
- If available: vaccination certificate and electronic health card
- For children and adolescents under 16 years of age: a parent/legal guardian and the signature of all parents/legal guardians

If possible, the vaccination documents are to be filled in (including declarations of consent for under 16-year-olds) and brought with you to the vaccination appointments.
